

CONGRATULATIONS 2016 RISING STARS

The APS Rising Star designation is presented to outstanding psychological scientists in the earliest stages of their research careers post-PhD.

To nominate a colleague for the 2017 Class of Rising Stars please visit

www.psychologicalscience.org/members/awards-and-honors/aps-rising-stars-nominations

Amitai Abramovitch
Texas State University

Pooja K. Agarwal
Berklee College of Music

Stephen P. Becker
Cincinnati Children's Hospital Medical Center

Emily C. Bianchi
Emory University

Mark J. Brandt
Tillburg University, The Netherlands

Lucas P. Butler
University of Maryland

Bridget L. Callaghan
Columbia University

Nicole E. Caporino
American University

Jacqueline M. Chen
University of Utah

Joey T. Cheng
University of Illinois at Urbana-Champaign

William J. Chopik
Michigan State University

Roisin P. Corcoran
Johns Hopkins University

Janna Cousijn
University of Amsterdam, The Netherlands

Angélique Cramer
University of Amsterdam, The Netherlands

Felipe De Brigard
Duke University

William L. Dunlop
University of California, Riverside

Katherine B. Ehrlich
University of Georgia

Lauren L. Emberson
Princeton University

Angela Fang
Harvard University

Oriel FeldmanHall
Brown University

Jaclyn H. Ford
Boston College

Willem E. Frankenhuus
Radboud University Nijmegen, The Netherlands

Sarah E. Gaither
Duke University

Matthew W. Gallagher
University of Houston

Colleen M. Ganley
Florida State University

Ashley N. Gearhardt
University of Michigan

Dylan G. Gee
Yale University

Laura M. Hart
La Trobe University and University of Melbourne, Australia

Catherine A. Hartley
New York University

Eric Hehman
Ryerson University, Canada

Pernille Hemmer
Rutgers University

Molly J. Henry
University of Western Ontario, Canada

Salomon Israel
The Hebrew University of Jerusalem, Israel

Rachael E. Jack
University of Glasgow, United Kingdom

Leslie K. John
Harvard University

Rebecca M. Jones
Weill Cornell Medical College

Talia Konkle

Harvard University

Daniel C. Kopala-Sibley

Stony Brook University, The State University of New York

Nour S. Kteily

Northwestern University

Autumn J. Kujawa

Pennsylvania State University

Calvin K. Lai

Harvard University

Kristin Laurin

University of British Columbia, Canada

James J. Lee

University of Minnesota

Spike W.S. Lee

University of Toronto, Canada

David D. Loschelder

Leuphana University Lüneburg, Germany

Kristine Marceau

Purdue University

Alia Martin

Victoria University of Wellington, New Zealand

Katherine McAuliffe

Boston College

Vladimir Miskovic

Binghamton University, The State University of New York

Matthew C. Morris

Meharry Medical College

Kristin E. Naragon Gainey

University at Buffalo, The State University of New York

Tess M.S. Neal

Arizona State University

Edward H. O'Brien

The University of Chicago

Megan H. Papesh

Louisiana State University

Joonkoo Park

University of Massachusetts

Steven T. Piantadosi

University of Rochester

Adam L. Putnam

Carleton College

Tage S. Rai

Massachusetts Institute of Technology

Henry M. Railo

University of Turku, Finland

Gerardo Ramirez

University of California, Los Angeles

Aneeta Rattan

London Business School, United Kingdom

John F. Rauthmann

Humboldt University of Berlin, Germany

Leoandra O. Rogers

Northwestern University

Benjamin M. Rottman

University of Pittsburgh

Shannon Sauer-Zavala

Boston University

Stephen M. Schueller

Northwestern University

Michael K. Scullin

Baylor University

Benjamin G. Shapero

Harvard University

Alex Shaw

The University of Chicago

Signy A. Sheldon

McGill University, Canada

Winnie Shen

University of Waterloo, Canada

Amitai Shenhav

Brown University

Jennifer A. Silvers

University of California, Los Angeles

Michael L. Slepian

Columbia University

April R. Smith

Miami University of Ohio

David V. Smith

Temple University

Jeffrey R. Spies

Center for Open Science

Mahesh Srinivasan

University of California, Berkeley

Daniel Sullivan

University of Arizona

Elizabeth R. Tenney

University of Utah

Sarah S.M. Townsend

University of Southern California

Michael T. Treadway

Emory University

Elisa M. Trucco

Florida International University

Daryl R. Van Tongeren

Hope College

Michael E.W. Varnum

Arizona State University

Amanda C. Venta

Sam Houston State University

Anna E.F. Weinberg

McGill University, Canada

Nicole H. Weiss

Yale University

Arlington G. Wilson

Medical University of South Carolina

Laura C. Wilson

University of Mary Washington

Blair E. Wisco

University of North Carolina at Greensboro

Aidan G.C. Wright

University of Pittsburgh

Kai Chi Yam

National University of Singapore

Caicai Zhang

Hong Kong Polytechnic University

Samuele Zilioli

Wayne State University
